

ಶ್ರೀ ಎಂ. ಬಿ. ರಾಮಸ್ವಾಮಿ.—ಈ ರಸ್ತೆ ರಿಪೇರಿಗಾಗಿ ಕೊಟ್ಟಿರುವ ಹಣ ಸರಿಯಾಗಿ ವಿನಿಯೋಗವಾಗಿಲ್ಲ. ರಿಪೇರಿ ಮಾಡಿಸಲು ಸರಿಯಾಗಿ ವ್ಯವಸ್ಥೆಯಾಗಿಲ್ಲ, ಅದಕಾರಣ ನಾನು ತಮ್ಮಲ್ಲಿ ಪ್ರಾರ್ಥನೆ ಮಾಡಿಕೊಳ್ಳುವುದೇನೆಂದರೆ, ಶಾಶ್ವತವಾದಂಥ ರೀತಿಯಲ್ಲಿ ರಿಪೇರಿ ಮಾಡಿಸುವುದಕ್ಕೆ ಯೋಚನೆ ಮಾಡುತ್ತೀರಾ.

ಶ್ರೀ ಎಂ. ಮಲ್ಲಿಕಾರ್ಜುನಸ್ವಾಮಿ.—ರಸ್ತೆ ರಿಪೇರಿ ಮಾಡತಕ್ಕಂಥದ್ದು ಅವಶ್ಯಕ. ಆದರೆ ಶಾಶ್ವತವಾದಂಥ ರಿಪೇರಿ ಎಂದು ಹೇಳಿದರೆ ನನಗೆ ಅರ್ಥವಾಗುವುದಿಲ್ಲ. ಮಳೆ ಜಾಸ್ತಿಯಾದಾಗ ರಸ್ತೆ ಕೆಡುತ್ತದೆ. ಆಗ ರಿಪೇರಿ ಮಾಡಬೇಕಾಗುತ್ತದೆ. ಅದಕಾರಣ ಶಾಶ್ವತವಾದ ರಿಪೇರಿ ಯಾವ ರೀತಿ ಮಾಡುವುದಕ್ಕಾಗುತ್ತದೆ ಎಂಬುದು ನನಗೆ ಅರ್ಥವಾಗುವುದಿಲ್ಲ.

ಶ್ರೀ ಎಂ. ಬಿ. ರಾಮಸ್ವಾಮಿ.—ಈಗ ಕಲ್ಲುಮಣ್ಣು ಹಾಕಿ ರಿಪೇರಿ ಮಾಡುತ್ತಾರೆ. ಇದು ಒಂದು ವರ್ಷದಲ್ಲಿಯೇ ಹಾಳಾಗುತ್ತದೆ. ನಂತರ ಮತ್ತೊಂದು ರಿಪೇಸ್ ಎನ್ಸಿ ಮೇಟ್ ಮಾಡಬೇಕಾಗುತ್ತದೆ. ಇದರಿಂದ ಅಂದಾಜು ಸಹ ಜಾಸ್ತಿಯಾಗುತ್ತದೆ. ಇದರ ಬದಲು ಒಂದೇ ಸಲ ಶಾಶ್ವತವಾಗಿ ರಸ್ತೆ ರಿಪೇರಿ ಮಾಡಿಸಿದರೆ ಅದು ಆಗಾಗ್ಗೆ ಕೆಡಲು ಅವಕಾಶವಿರುವುದಿಲ್ಲ. ಅದಕಾರಣ ಸುಭದ್ರವಾದಂತ ರಸ್ತೆ ಮಾಡಿಸಲು ಯೋಚನೆ ಮಾಡುತ್ತೀರಾ.

ಶ್ರೀ ಎಂ. ಮಲ್ಲಿಕಾರ್ಜುನಸ್ವಾಮಿ.—ಈಗಾಗಲೇ ಕಾರ್ಯಕ್ರಮ ಹಾಕಿಕೊಂಡಿದ್ದೇನೆ. ಅನೇಕರ್ ತಾಲ್ಲೂಕ್ ನಲ್ಲಿ ಮೇಜರ್ ಡಿಸ್ಟ್ರಿಕ್ಟ್ ರೋಡ್ಸ್ 78 ಕಿಲೋಮೀಟರ್ಸ್ ಇವೆ. ಬೇರೆ ಡಿಸ್ಟ್ರಿಕ್ಟ್ ರೋಡ್ಸ್ 26 ಕಿಲೋಮೀಟರ್ಸ್ ಇವೆ. ವಿಲೇಜ್ ರೋಡ್ಸ್ 162 ಕಿಲೋಮೀಟರ್ಸ್ ಇವೆ. ಹೀಗೆ ಒಟ್ಟು 266 ಕಿಲೋಮೀಟರ್ಸ್ ರಸ್ತೆಗಳು ಇವೆ. ಹಣ ಸಿಕ್ಕಿದಂತೆ ಇವುಗಳ ರಿಪೇರಿ ಮಾಡುತ್ತೇವೆ ಮತ್ತು ಮಾಡುವಂತಹ ಕೆಲಸವನ್ನು ಚೆನ್ನಾಗಿ ಮಾಡುವುದಕ್ಕೆ ಸೂಚನೆ ಕೊಡುತ್ತೇವೆ.

Areas irrigated during Kharif and Rabi Season

68 SRI P. M. BANGI (Jamkhandi).—Will the Minister of State for Major and Medium Irrigation be pleased to state:

(a) the total acreage notified under Section 31 (1) of Karnataka Irrigation Act, 1965, as area fit for Kharif and rabi seasons in the year 1975-76 and 1976-77 in Jamkhandi, Mudhol, Raibag, Athani and Bilgi Taluks in Ghataprabha Left Bank Canal.

(b) the extent of acres actually irrigated on Ghataprabha Left Bank Canal in each of the said five taluk as both for Kharif and Rabi seasons in the year 1975-76 and 1976-77.

(c) whether it is not a fact that the above areas is not irrigated even after it is declared as fit for irrigation.

(d) the reasons for the supply of Ghataprabha Left Bank Canal water to lesser area during the Kharif and Rabi Seasons in the years 1975-76 and 1976-77.

(e) whether it is not a fact that owing to the non-repairs of the distributaries and canals in Ghataprabha Left Bank Canal command area, the Ghataprabha Left Bank Canal water flows in the adjoining nalas and streams and join Krishna River?

SRI SUBHASH ASTURE (Minister of State for Major and Medium irrigation).—

(a)—

Taluk	1975-76 Kharif	Rabi	1976-77 Kharif	Rabi
1	2	3	4	5
(1) Raibag	7,921	34	20,386	5,979
(2) Athani	...	219	...	4,180
(3) Jamkhandi	7,921	15,132	9,982	13,455
(4) Mudhol	16,441	13,722	17,021	12,799
(5) Bilgi	7,313	8,193	7,230	8,496
	52,426	36,300	54,619	44,909
(b) 1	2	3	4	5
(1) Raibag	22,367	351	20,150	Not yet assessed as the season has just commenced with effect from 15-10 1976
(2) Athani	500	26	...	
(3) Jamkhandi	6,175	6,814	6,900	
(4) Mudhol	9,609	4,857	10,117	
(5) Bilgi	2,605	424	3,920	
	41,256	12,472	41,087	

(c) About 70 per cent of notified areas are irrigated in Kharif Season. As for Rabi Irrigation, this was introduced for the first time in 1975-76 and irrigators will take some time to get used to Rabi irrigation.

(d) Water was supplied to all the areas and the canal was flowing with adequate discharges. Reasons for some areas being un-irrigated are as under—

- (i) Most of the area was left un-sown by the irrigators who are in the habit of depending on rains for sowing.
- (ii) Water was not taken though it was made available.
- (iii) Lands are not levelled.

(e) No.

SRI P. M. BANGI.—May I know the reasons for the less irrigation of Kharif and Rabi in the five talukas of Bijapur District.

† SRI SUBHASH ASTURE.—The raiyats had not levelled up their land and hence they have not used the water. Therefore the figures are varying from year to year.

SRI P. M. BANGI.—Is it not a fact that there was drought last year and the raiyats were crazing for water but they were not supplied with water what are the reasons for non-supply of water?

SRI SUBHASH ASTURE.—Nothing like that happened

SRI P. M. BANGI.—Is it not a fact that the nalas from Raibag to Bilgi are continuously flowing and are joining the Krishna River which has been seen by me and brought to the notice of the Development Commission also? Is it not a fact that the continuous flow of water from Ghattaprabha to Krishna River is a waste?

SRI SUBHASH ASTURE.—Most of our raiyats are not trained in the irrigation system. Even though we have irrigation facilities but the raiyats are not serious. Since the raiyats do not know the art of using the water, some water is allowed to flow into the nalas and those nalas go and joining the Krishna. All the water which goes from Ghattaprabha is not used there some water is bound to flow to Krishna.

SRI P. M. BANGI.—Is it not necessary to construct pick ups from place to place and make use of the seepage water for irrigation purposes.

SRI SUBHASH ASTURE.—This is a good suggestion, we shall examine it, Sir,

ಅಧ್ಯಕ್ಷರು—76ನೇ ನಂಬರ್ ಪ್ರಶ್ನೆಯನ್ನು ಮಾನ್ಯ ಮಂತ್ರಿಗಳು ಬಂದ ನಂತರ ತೆಗೆದು ಕೊಳ್ಳುತ್ತೇನೆ. ಹಾಗೆಯೇ 84ನೇ ನಂಬರ್ ಪ್ರಶ್ನೆಯನ್ನು ನಾಳೆ ತೆಗೆದುಕೊಳ್ಳುತ್ತೇನೆ.

Kaveri Water Dispute

107 SRI S. M. SHEERNALY CHANDRASEKHAR (Hosanagar).—Will the Chief Minister be pleased to state:—

(a) whether any agreement has been reached between Tamil Nadu and Karnataka Government regarding Kaveri Water Dispute ;

(b) if so, whether the text of the agreement would be placed on the Table of the House ;

(c) whether it deviates from the 1924 agreement ;

(d) whether it is beneficial to the State ?
